

SYNCHRONY BANK TRUST VERIFICATION AND TRUSTEE CERTIFICATION

All financial institutions are required by the Federal USA PATRIOT Act to obtain, verify and record information that identifies each Trust, as well as Trustees, seeking to open an account. When you apply to open an account, we will ask for the Trust's name, address and tax identification number. For Trustees, we will ask for their name, address, date of birth, Social Security Number and other information that will allow us to identify them such as a driver's license or other identifying documents.

By applying for an account, you give Synchrony Bank your consent to obtain a consumer report, check references with other financial institutions and use any commercially available database to conduct our review of the Trust and its Trustees.

When you send this document to us, please also include a completed, dated and signed IRS Form W-9 (a blank Form W-9 and Instructions are included with this package) and copies of the following pages of the Trust Agreement:

- Page showing the title of the Trust (usually the first page)
- All signature and notary pages of the Trust
- Page(s) showing that the Trustees are authorized to open and transact on bank accounts
- Pages showing the appointment of the Trustees. If there have been any changes to the Trustees since the Trust was created, please include all documentation confirming the removal of any Trustees and the appointment of successor Trustees (including death certificates for any deceased Trustees).

Please mail all required documents to Synchrony Bank, P.O. Box 669802, Dallas, TX 75266-0955.
